Zion Christian School
Student Uniform Code

We at Zion Christian School wish to teach our students morals, values and modesty as well as mathematics, science and language. We believe that a clean, neat student body that is dressed uniformly has less trouble with student alienation, discrimination and general distraction associated with a less structured dress code. Continued non-compliance with the uniform code will result in the school office calling the child's parent/guardian who will be asked to bring a set of appropriate clothing to school immediately.

Principal/Parent conference may be set up if the situation becomes habitual.
